**Chasing the Sun Deluxe** Juanes, 2013-04-02 The deluxe e-book edition of Chasing the Sun includes rare, behind-the-scenes video footage of superstar Juanes's early career, shows and concerts, recordings, personal life, and more. Interspersed throughout the text are exclusive interview clips that further explore the passion and truth found in Juanes's words and offer a true glimpse of the man behind the music. "I'm doing what I believe I was brought to this world to do: to create music that raises awareness, renews hearts, and generates change. I'll continue looking to the stars and traveling the globe as God permits me. And I hope I have many years left to connect through art, to play my guitar, and to continue chasing the sun."—Juanes In Chasing the Sun, the international music icon and humanitarian shares the incredible story of his life and how music and faith guided his path. In his own un-adulterated words, and with visually arresting images throughout—some of them never before seen—Juanes imparts his defining moments from childhood to present day, reflecting on his spiritual and musical journey and the personal and professional experiences that shaped the man he is today. Born and raised in Colombia, Juanes developed his deep love of music from his family and learned to play guitar at an early age. By age sixteen, he became a founding member, lead guitarist, vocalist, and song-writer for Ekhyosis, which went on to become Colombia's leading hard-rock band. However, it was his career as a solo artist that propelled him toward international superstardom. With great honesty, Juanes reveals how his times of glory were often intersected by times of doubt and soul-searching and how remaining true to his beliefs and passionate about his art gave him the strength and foresight to reinvent himself and his career. While his role as a recording artist is well documented, the very private Juanes has never opened up in his own words—until now.

*Pussypedia* Zoe Mendelson, 2021-08-03 Written by the creators of the popular website, this rigorously fact-checked, accessible, and fully illustrated guide is essential for anyone with a pussy. If the clitoris and penis are the same size on average, why is the word "small" in the definition of clitoris but strangely missing from the definition of penis? Sex probably doesn't cause yeast infections? But racism probably does cause BV? Why is masturbating so awesome? How hairy are butt cracks . . . generally? Why is labiaplasty on a global astronomical rise? Does egg freezing really work? Should I stick an egg-shaped rock up there or nah? There is still a shocking lack of accurate, accessible information about pussies and many

esteemed medical sources seem to contradict each other. *Pussypedia* solves that with extensive reviews of peer-reviewed science that address old myths, confusing inconsistencies, and the influence of gender narratives on scientific research--always in simple, joyful language. Through over 30 chapters, *Pussypedia* not only gives the reader information, but teaches them how to read science, how to consider information in its context, and how to accept what we don't know rather than search for conclusions. It also weaves in personal anecdotes from the authors and their friends--sometimes funny, sometimes sad, often cringe-worthy, and always extremely personal--to do away with shame and encourage curiosity, exploration, and agency. A gift for your shy niece, your angsty teenager, your confused boyfriend, or yourself. Our generation's *Our Bodies, Ourselves*, with a healthy dose of fun.

*American Pop [4 volumes]* Bob Batchelor, 2008-12-30 Pop culture is the heart and soul of America, a unifying bridge across time bringing together generations of diverse backgrounds. Whether looking at the bright lights of the Jazz Age in the 1920s, the sexual and the rock-n-roll revolution of the 1960s, or the thriving social networking websites of today, each period in America's cultural history develops its own unique take on the qualities define our lives. *American Pop: Popular Culture Decade by Decade* is the most comprehensive reference on American popular culture by decade ever assembled, beginning with the 1900s up through today. The four-volume set examines the fascinating trends across decades and eras by shedding light on the experiences of Americans young and old, rich and poor, along with the influences of arts, entertainment, sports, and other cultural forces. Whether a pop culture aficionado or a student new to the topic, *American Pop* provides readers with an engaging look at American culture broken down into discrete segments, as well as analysis that gives insight into societal movements, trends, fads, and events that propelled the era and the nation. In-depth chapters trace the evolution of pop culture in 11 key categories: Key Events in American Life, Advertising, Architecture, Books, Newspapers, Magazines, and Comics, Entertainment, Fashion, Food, Music, Sports and Leisure Activities, Travel, and Visual Arts. Coverage includes: How Others See Us, Controversies and scandals, Social and cultural movements, Trends and fads, Key icons, and Classroom resources. Designed to meet the high demand for resources that help students study American history and culture by the decade, this one-stop reference provides readers with a broad and interdisciplinary overview of the numerous aspects of popular culture in our country. Thoughtful examination of our rich and often tumultuous popular history, illustrated with hundreds of historical and contemporary photos, makes this the ideal source to turn to for ready reference or research.

*Virus Tropical* Paola, 2016 Powerpaola's *Virus Tropical* uses a series of vignettes to transform the simplicity of middle-class family life into a thought-provoking narrative that would have been inconceivable prior to Colombia's sexual revolution. Focusing on the lives of a family of women in the eighties through the nineties, Powerpaola's tale highlights the excitement, danger, and struggles of a country in the midst of radical change.

Light Falls Simon Stephens, 2020-01-02 LOOK ME IN THE EYE AND TELL ME YOU'LL NEVER LEAVE ME. A woman

wakes up with a stranger beside her. A student argues with his lover. A single mother fights to feed her baby. A married man flirts with two younger women. And far away, one devastating event is about to change all their lives forever. Artistic Director Sarah Frankcom says goodbye to the Royal Exchange with an extraordinary new play by Simon Stephens, with original music by Jarvis Cocker. Connecting five relatives in five disparate English towns, from Blackpool to Durham, **LIGHT FALLS** is a richly layered play about life in the face of death, about how our love survives us after we've gone - and about how family, community and kindness help the North survive.

The King and Dr. Nick George Nichopoulos,2010-01-04 The truth about Elvis's death from the doctor who spent eleven years as "the King's" personal physician, father-figure, and confidant - Dr. Nick. Dr. Nichopoulos spent a decade with Elvis on the road and at Graceland, trying to maintain the precarious health of one of the world's greatest entertainers. But on August 16, 1977, he found himself in the ambulance with Elvis on that fateful last trip to the ER. He signed the death certificate. From that day forward, Dr. Nick became the focus of a media witch hunt that threatened his life and all but destroyed his professional reputation. Now, for the first time, Dr. Nick reveals the true story behind Elvis's drug use and final days—not the version formed by years of tabloid journalism and gross speculation.
