English Unlimited Elementary B Combo with DVD-ROMs (2) Alex Tilbury, Theresa Clementson, Leslie Anne Hendra, David Rea, Maggie Baigent, 2013-07-18 English Unlimited is a six-level (A1 to C1) goals-based course for adults. Centred on purposeful, real-life objectives, it prepares learners to use English independently for global communication. Through universal topics and activities, and a focus on intercultural competence as a 'fifth skill', this international coursebook helps learners become more sensitive, more effective communicators. Teaching natural, dependable language, and with CEFR goals at its core, it brings real life into the classroom and gives learners the skills and strategies to communicate confidently outside it. The 'Explore' sections provide the extra ingredients for enhancing communicative ability, from further development of speaking skills to independent learning strategies. The English Unlimited Elementary B Combo includes Coursebook Units 8 to 14 as well as the e-Portfolio and Self-Study DVD-ROM.

Billboard, 2009-03-07 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Historia de la música en 6 bloques. Bloque 2. Contiene DVD Roberto L. Pajares Alonso, 2010-01-01 La principal novedad de esta Historia de la Música es que cada uno de sus 6 libros se centra en un tema concreto. De este modo, al individualizar cada tema, se puede tener una visión comparada a través del tiempo, perspectiva que se pierde cuando se tratan todos los temas a la vez en una misma época. Cada libro o bloque se divide en 9 épocas. Este segundo bloque, Géneros musicales, estudia los siguientes aspectos: • Función religiosa o profana de los principales géneros que se cultivan en cada época. • Características propias de cada género musical: estructura, textura, instrumentación, tipo de texto (si lo hay), etc. Su evolución. • Principales compositores y obras de cada género. El libro se acompaña de un CD-ROM en el que hay 573 audiciones (fragmentos), 154 partituras que se corresponden con otras tantas audiciones y 258 imágenes (danzas, escenografías de óperas, escenas, carteles de conciertos, etc.), todo ello comentado en el libro, incluyendo los textos y su traducción. Estas audiciones, partituras e imágenes sirven de ilustración al contenido teórico. También se incluye en el CD-ROM una bibliografía comentada, enlaces seleccionados y comentados a páginas web y una lista de las 573 audiciones (título, autor, fecha de composición, intérpretes, sello, año de grabación, etc.). El objetivo principal ha sido crear un material de

consulta para estudios universitarios de Musicología y para estudios en Conservatorios Superiores de Música, aunque también puede ser de interés y utilidad para profesionales de la música y melómanos en general.

El Perdon...el Milagro Maximo Paul J. Meyer,2023-10 Have you ever wondered what happened to Lazarus after Jesus resurrected him from death? Lazarus was given an extension of life and time spent on earth. Do you think Lazarus lived a drastically different life after his resurrection? Would you think and live differently if you were given such an opportunity? Dr. Asher Chanan-Khan, a world-renowned cancer researcher and clinical oncologist, experienced such a Lazarus moment in his very own life when his terminal cancer was miraculously paused, rendering him an extension of life. Now, 15 years later, Dr. Asher ponders upon his living in these Lazarus moments. Discover how you too can learn about God's grace in the face of imminent mortality and how the author's journey in these extended moments of life are purposefully designed to bring glory to his Creator.

The Populism Catalogue Šiuolaikinio meno centras,2005 Despite its exploration of the connection between political rhetoric and artistic expression, the project does not aim to illustrate its theme through 'populist art'. Instead, the artists in the exhibitions deal with populist sentiments and ideologies of our time through sub-themes such as the mass media projection of politics; market populism and cultural industries; group and corporate identities; representations and spaces of 'the people'; law, order and security; religious and moral controversy; nationalism and xenophobia. But all the artists share a common populist premise in their unwillingness to accept the old opposition between mass and elite culture, and their desire to investigate the forms of politics - the dreams of democracy and its remodelling - that are being produced in contemporary society
