

Manana

Patricia Beatty

Mañana William Hjortsberg, 2015-05-12 The life of an American hippie in Mexico is upended by a gang of ex-cons in this thriller full of “wild surprises” (Carl Hiaasen). All Tod remembers when he wakes up next to a dead prostitute is that he had his first shot of heroin the night before. He and his wife, Linda, were partying with their new neighbors, a trio of parole violators who fled to Mexico after robbing a Beverly Hills jewelry store. Now the place is empty, stripped clean except for Tod’s hunting knife, which is covered in blood. Did he kill the woman, or was he left behind as the fall guy? Convinced that his junkie friends abducted Linda to keep her from talking to the police, Tod buys a gun and prepares to do whatever it takes to get his wife back before he makes a run for the border.

Finding Manana Mirta Ojito, 2006-04-04 Finding Mañana is a vibrant, moving memoir of one family's life in Cuba and their wrenching departure. Mirta Ojito was born in Havana and raised there until the unprecedented events of the Mariel boatlift brought her to Miami, one teenager among more than a hundred thousand fellow refugees. Now a reporter for The New York Times, Ojito goes back to reckon with her past and to find the people who set this exodus in motion and brought her to her new home. She tells their stories and hers in superb and poignant detail—chronicling both individual lives and a major historical event. Growing up, Ojito was eager to excel and fit in, but her parents’—and eventually her own—incomplete devotion to the revolution held her back. As a schoolgirl, she yearned to join Castro's Young Pioneers, but as a teenager in the 1970s, when she understood the darker side of the Cuban revolution and learned more about life in el norte from relatives living abroad, she began to wonder if she and her parents would be safer and happier elsewhere. By the time Castro announced that he was opening Cuba's borders for those who wanted to leave, she was ready to go; her parents were more than ready: They had been waiting for this opportunity since they married, twenty years before. Finding Mañana gives us Ojito's own story, with all of the determination and intelligence—and the will to confront darkness—that carried her through the boatlift and made her a prizewinning journalist. Putting her reporting skills to work on the events closest to her heart, she finds the boatlift's key players twenty-five years later, from the exiles who negotiated with Castro to the Vietnam vet on whose boat, Mañana, she finally crossed the treacherous Florida Strait. Finding Mañana is the engrossing and enduring story of a family caught in the midst of the tumultuous politics of the twentieth century.

Mañana, Iguana Ann Whitford Paul, 2018-01-01 A comical takeoff on the familiar Little Red Hen story, this upbeat read-

along is brought vividly to life through Brian and Rosi Amador's tandem narration. ...Soft Latin background music is a lilting accompaniment. -Booklist

Finding Manana Mirta Ojito, 2006-04-04 Finding Mañana is a vibrant, moving memoir of one family's life in Cuba and their wrenching departure. Mirta Ojito was born in Havana and raised there until the unprecedented events of the Mariel boatlift brought her to Miami, one teenager among more than a hundred thousand fellow refugees. Now a reporter for The New York Times, Ojito goes back to reckon with her past and to find the people who set this exodus in motion and brought her to her new home. Finding Mañana gives us Ojito's own story, with all of the determination and intelligence—and the will to confront darkness—that carried her through the boatlift and made her a prizewinning journalist. Putting her reporting skills to work on the events closest to her heart, she finds the boatlift's key players twenty-five years later, from the exiles who negotiated with Castro to the Vietnam vet on whose boat, Mañana, she finally crossed the treacherous Florida Strait. Finding Mañana is the engrossing and enduring story of a family caught in the midst of the tumultuous politics of the twentieth century.

Mañana Dr. Justo L. Gonzalez, 2010-10-01 An in-depth look at Christian theology through Hispanic eyes. It weaves the doctrinal formulations of the early church on creation, the Trinity, and Christology into contemporary theological reflection on the Hispanic struggle for liberation. This volume offers a major theological statement from a respected theologian and author. Richly insightful and unique, Manana is one of the few major theological works from a Protestant representative of the Hispanic tradition. Justo L. Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American.

Mañana William Hjortsberg, 2015-05-12 The life of an American hippie in Mexico is upended by a gang of ex-cons in this thriller full of “wild surprises” (Carl Hiaasen). All Tod remembers when he wakes up next to a dead prostitute is that he had his first shot of heroin the night before. He and his wife, Linda, were partying with their new neighbors, a trio of parole violators who fled to Mexico after robbing a Beverly Hills jewelry store. Now the place is empty, stripped clean except for Tod's hunting knife, which is covered in blood. Did he kill the woman, or was he left behind as the fall guy? Convinced that his junkie friends abducted Linda to keep her from talking to the police, Tod buys a gun and prepares to do whatever it takes

to get his wife back before he makes a run for the border.

Casa Mañana Susan Danly, 2002 Provides a detailed look at the political and artistic climate in Mexican-American relations through an examination of the folk art collection amassed by Dwight and Elizabeth Morrow when he was U.S. ambassador to Mexico in the late 1920s.

Billy Rose Presents-- Casa Mañana Jan Jones, 1999 But Fort Worth was never again the same after the Frontier Centennial . . . and memories of that festival linger today, even though the buildings were long ago razed.

Hasta Mañana Carolyn Wilkerson, 2023-11-07 About the Book *Hasta Mañana* tells the story of Border Patrol Agent Myriam Valencia's search for the drug smuggler who gave her son drugs that killed him, while also addressing illegal immigration and the difficult task of patrolling the southwestern border. While this timeless story is based on things that could happen, it also highlights the story of an adolescent mother, who had to first raise herself, and who had to make the hard decisions about the needs and responsibilities of her child, and her parental rights. In the end, she must choose between friendship and justice. Critically acclaimed author, Carolyn Wilkerson, wishes you, the reader, to take away an authentic depiction of reality and its many diverse interpretations, as it currently exists on all sides of border/migration management issues, considering their inextricably intertwined, social, cultural, and economic factors. About the Author Although Wilkerson has used her writing skills to author professional documents, she notes that she was shy by nature and a closet writer of fiction and poetry for many years. Writing is a way Wilkerson liberated her thoughts from her head, even when no one read them but her. Writing helped her to absorb the grief of losing her father at age twelve, her mother two weeks after her sixteenth birthday, and writing poetry helped her to deal with the anxiety of living in Washington, D.C. during the late 1960's riots. Writing was also an affordable therapy when her marriage fizzled after just three years. Wilkerson published articles and a biweekly newspaper column in what seems like another lifetime. Since most beginning writers don't have a predictable income and she was raising a young child without child support, that career path was not an option. Now, her son, a retired U.S. Federal Agent, is helping her to fulfill a dream deferred. Wilkerson encourages others who have had to make practical choices in years past to revisit their childhood dreams, inspiring others to embrace the passion that might still be there under the cocoon like layers of life that got in the way, just waiting for a breath of fresh perspective to unfurl their wings. "*Hasta Mañana* is a fast-moving and exciting thriller novel with great characters and a story where the line between the bad guys and good guys is crossed as often as the U.S. border. Wilkerson accurately portrayed my experience of working as a Border Patrol Agent while keeping me entertained the whole way with each chapter drawing me to the next, leading to an unexpected conclusion." - Mike Molloy, U.S. Border Patrol Agent in Charge, Retired

Carpe Mañana Leonard Sweet, Leonard I. Sweet, 2001 The Message Never Changes. But Our Methods Must. If God so loved the world . . . then we ought to, too. But how? While the church dreams of old wineskins, the future is arriving, and the

world around us has undergone a radical transformation. Those of us over thirty are no longer natives of a modern culture, but immigrants in a postmodern society that speaks the language of cyberspace, grapples with the implications of robotics, nanotechnology, and bioengineering, and looks everywhere but to the church for spiritual and moral guidance. But the gospel sun, far from setting, is poised to shine on this new frontier--provided we'll seize tomorrow and its unprecedented opportunities. The possibilities are limitless for those of us who choose to live as Jesus lived, as people of our time and culture. *Carpe Manana* helps us go native. In nine 'naturalization classes,' Leonard Sweet speeds us toward influence in this postmodern world--a world hungry to encounter the God who knows its soul, speaks its language, and loves it with an all-transforming love.

Manana Manana Peter Kerr, 2001-07-01 Having battled and succumbed to the manana pace of rural Mallorca, spring sees Peter Kerr and his family relaxing into a supposedly simpler way of life, growing oranges on their little farm, Ca's Mayoral. However, even after the trials, tribulations, and triumphs of their initiation, Spain has not yet finished with them. Embarrassing subtleties of the language, brushes with the local police, the unfortunate outcome of a drinking session; surprises are aplenty to test the resolve, stamina, and, perhaps more importantly, the sense of humor of this venturesome emigre family. Their eccentric and colorful new friends are always on hand to help out—for better or worse—and add spice to this account of tranquilo life.

Mañana College Shannon Fersner, 2014-11-14 Students have arrived from all over the world to attend Mañana College in Atlanta, Georgia, ready to prepare for their future and unaware of the obstacles that lie ahead for each of them. Alaysia is a rich snob whose millionaire father gives her anything. Jaquez is a womanizer and rising star on the basketball court with lofty dreams. Lena is smart but is easily influenced by others. Malik is relying on his business mind while pursuing a singing career. Mellissa, not known for her intelligence, loves to live life on the edge. Shawn, who has wisely chosen college over jail, is all about getting money the fast way. Lamont is harboring a secret he fears will change everything. Patrice is a levelheaded student leader who does her best to keep everyone on track. As the students embark on separate journeys through a semester filled with lies, sex, drugs, and betrayal, it soon becomes evident that the college experience for each of them has become much more than just studying in the library, taking exams, and partying all night. In this compelling drama, students at an Atlanta college do all they can to survive their challenges, overcome their unique obstacles, and make it through another semester.

Manana in Cuba José Azel, 2010-02-23 Maana in Cuba is a comprehensive analysis of contemporary Cuba with an incisive perspective of the Cuban frame of mind and its relevancy for Cuba's future. Part one of the book critically explores the mindset Cubans have developed living under a totalitarian system and introduces modern concepts of choice architecture and governance that can be employed Maana in Cuba to foster a democratic civil society. Part two turns to a discussion of

the principles that should guide sociopolitical and economic transition policies in line with Cuban culture and history. Maana in Cuba offers a sophisticated analysis of the challenges and opportunities that will be present in post-Castro Cuba with an eye to intelligent, nuanced, and often outside the box solutions to aid business and government policymakers interested in Cuba's future. A unique aspect of this book is that it does not seek to unnaturally mend a decimated civil society, but rather, it offers policy approaches anchored on current Cuban ethos and society. This is a book about finding ways to facilitate the Cuban transition from totalitarianism and a centrally planned economy to liberal democracy and a free-market economic system. As the author argues, the alternative visions presented for Cuba's future matter because one of them will crystallize into the sociopolitical and economic narrative of the country for generations to come.

Mañana es San Perón Mariano Ben Plotkin, 2002-10-01 The regime of Juan Perón is one of the most studied topics of Argentina's contemporary history. This new book—an English translation of a highly popular, critically acclaimed Spanish language edition—provides a new perspective on the intriguing Argentinian leader. Mariano Plotkin's cultural approach makes Perón's popularity understandable because it goes beyond Perón's charismatic appeal and analyzes the Perónist mechanisms used to generate political consent and mass mobilization. *Mañana es San Perón* is the first book to focus on the cultural and symbolic dimensions of Perónism and populism. Plotkin also presents important material for the study of populism and the modern state in this region. *Mañana es San Perón* explores the creation of myths, symbols, and rituals which constituted the Perónist political imagery. This political imagery was not designed to reinforce the legitimacy of a political system defined in abstract terms, but to assure the undisputed loyalty of different sectors of society to the Perónist government and to Perón himself. The evolution of the institutional framework that made the creation of this symbolic apparatus possible is also discussed. This well-researched book shows the methods designed by the Perónist regime to broaden its social base through the incorporation and activation of groups which had traditionally occupied a marginalized position within the political system—non-union workers, women, and the poor. Plotkin investigates how Perón used the education system to build his popularity. He examines the public assistance programs financed through the Eva Perón Foundation, and demonstrates how they were used to politicize women for the first time. He explains how Eva Perón and the Perónist regime not only tried to gain the support of women as voters but also as potential 'missionaries' who would spread the Perónist word in the privacy of their homes. This well-written and engaging account of one of Latin America's most colorful and appealing leaders is an excellent resource on Argentina and Latin American history and politics.

Ser médico ayer, hoy y mañana Alberto Agrest, Mi ayer, al que me referiré en este libro, es 1947, año en el que me gradué. En ese entonces, ser médico significaba haber adquirido los conocimientos teóricos en la facultad y los prácticos en los hospitales. El conocimiento médico avanzaba de a pie y con paso de paseo. Los médicos podían ser clínicos y cirujanos, y abarcar varias especialidades. Ser médico hoy es muy diferente. A la responsabilidad ética de antaño hacia la propia

conciencia, se ha sumado la responsabilidad legal respecto de pacientes muchas veces hostiles y estimulados por abogados poco escrupulosos. Mañana (un mañana que ya es hoy) se le añadirá todavía la responsabilidad económica, exigida por quienes gerencian los sistemas de salud. Así, cualquier clínico, además de enfrentar problemas activos de un paciente concreto, deberá enfrentar –ya lo hace hoy– problemas probabilísticos. Ayer, hoy y mañana no son sólo cambios cronológicos, sino también variaciones de pautas culturales. Sabemos que no podemos detener el tiempo; aun así, podemos defender de la erosión las pautas culturales que creemos dignas. Hasta hace algunas décadas, el médico vivía la pauta cultural de la entrega generosa y la sabiduría, que hoy debe cambiar por la de la efectividad y la eficiencia. El esfuerzo debe apuntar, entonces, a conciliar ambas culturas; el desafío es cómo hacerlo. Alberto Agrest Sus escritos, que deberían ser de lectura obligada para quienes se dedican a la medicina y más aún para las nuevas generaciones que planean hacerlo, lo han convertido ya en un clásico de la reflexión sobre el destino de la medicina contemporánea. Guillermo Jaim Etcheverry

Tales from the Land of Mañana G. Cunyngham-Cunningham, 1898 Seventeen stories set in Mexico, many of which first appeared in the San Francisco newspaper *The Argonaut*.

Manana Forever? Jorge G. Castañeda, 2012-04-17 In this shrewd and fascinating book, the renowned scholar and former foreign minister Jorge Castañeda sheds much light on the puzzling paradoxes of politics and culture of modern Mexico. Here's a nation of 110 million that has an ambivalent and complicated relationship with the United States yet is host to more American expatriates than any country in the world. Its people tend to resent foreigners yet have made the nation a hugely popular tourist destination. Mexican individualism and individual ties to the land reflect a desire to conserve the past and slow the route to uncertain modernity. Castañeda examines the future possibilities for Mexico as it becomes more diverse in its regional identities, socially more homogenous, its character and culture the instruments of change rather than sources of stagnation, its political system more open and democratic. *Mañana Forever?* is a compelling portrait of a nation at a crossroads.

The Mañana Man James Birrell, 2002 Penance Ward and his closest friends have always got together in St Pete's cafe, for laughter, camaraderie and plenty of alcohol-fuelled debate. Then one of them, Ting, is killed, and the remaining friends hold a stag-wake. The weekend brings both reminiscing and a personal wake-up call.
