

Dr Psiquiatra En Vivo

Hector Senties

Psiquiatria Para Medicos No Psiquiatras Hector Senties,2011-06

Confesiones de un Psiquiatra Antonio Filipe Lourenço, MD,2011-06-03 Confesiones de un Psiquiatra un relato escrito en forma coloquial sin someterse a tradiciones o formatos literarios. El autor relata algunos fragmentos de su vida exitosa y azarosa en una forma sencilla a la vez que hace reflexiones sobre diversos temas que tienen alguna relacion con sus vivencias, desde aspectos muy comunes de la vida cotidiana hasta reflexiones sobre aspectos de tipo filosofico, psicologico, sociopoliticos entre otros. En sus relatos no sigue una forma cronologica exacta sino que mucha veces avanza y retrocede para comunicarse con el lector como si lo tuviera frente a el como un interlocutor valido. Siendo un libro motivador, comunica no solo experiencias conducentes al exito sino tambien comparte situaciones de fracaso y dolor y la forma de superarlas. Lo mas caracteristico es la transmision en forma consistente de mensajes positivos que insiste en transmitir a sus lectores haciendoles partícipes de las experiencias de un ser real y hasta cierto punto considerado reservado y enigmatico como se suele pensar de un psiquiatra. El autor vencio todas esas barreras y se revela tal como ha sido y sigue siendo a como lo haria en el sillón de un psicoterapeuta o en el confesionario. El autor esta consciente de los riesgos que puede correr un profesional de la salud mental que se destapa y desprende de todo prejuicio con la esperanza de poner a la disposicion de sus lectores un testimonio del cual pueda sustraer algo util para sus vidas y sus ocupaciones o profesiones. Habiendo enfrentado tantas situaciones de alto riesgo, el autor hace apologia del ejercito de angeles que lo han protegido y que el identifica con los seres a quien ha dado amor y respeto y que le han retribuido esos afectos en forma incondicional, tanto en su familia como en muchas personas que fue encontrando en su largo recorrido por el mundo. De formacion transcultural, el autor ha podido convivir armoniosamente con personas de diversas creencias religiosas, politicas y origen etnico. El autor ha hecho muchas renuncias excepto renunciar a vivir en libertad, lejos de los opresores de las libertades y derechos individuales, y no renuncia a la esperanza de algun dia vivir en un mundo libre de prejuicios, estereotipos y dictaduras depredadoras y brutales, ni tampoco renuncia a la esperanza de que cada ser humano pueda aprender a usar los recursos personales que todos poseemos para ser ricos, interdependientes y exitosos en vez de pobres, lastimosamente dependientes y fracasados. El mensaje que el autor intenta transmitir en sus confesiones es un mensaje de vida y prosperidad por medios eticos, repudiando enfaticamente el lema de que los fines justifican los medios

Psiquiatria Y Homeopatia Fernando Rísquez,2002 Obra muy interesante para comprender la función del psiquiatra y la del paciente en su comunicación.Nos explica lo que es la psicoterapia, sus fundamentos a través de los conocimientosdados por diferentes autores.Presenta varios casos clínicos donde se une la psiquiatría y la homeopatía, lo importante de cada una de ellas, y su utilidad práctica.

El Médico no psiquiátrica y sus pacientes depresivos Paul Kielholz,1983

El alma salvadoreña Mario Rauda Cienfuegos,2007

Fichero de un psiquiatra criminalista James A. Brussel,2023-11-24 Un psiquiatra estudia a un hombre y puede hacer unas cuantas predicciones razonables acerca de lo que ese hombre realizará en el futuro -cómo va a reaccionar ante tal o cual estímulo, cómo se conducirá en determinada situación -. Lo que yo he hecho ha sido invertir los términos de la profecía. La característica dominante de un psiquiatra es su curiosidad. Se pregunta a la gente. A veces consigue respuestas satisfactorias, otras, no, pero siempre sabe que se encuentra en un vasto terreno desconocido que él y sus colegas solamente han comenzado a explorar. Si el psiquiatra es también criminalista su punto de vista puede ser ligeramente distinto, pero no de un modo fundamental. En este caso su interés se centra en los pensamientos y actos que la sociedad considera erróneos. Trata con hombres y mujeres a los que la sociedad ha condenado. El hecho de que la sociedad los censure ejerce, indudablemente, una influencia en su comportamiento. El psiquiatra-criminalista lo tiene en cuenta junto con los otros factores que conoce. James A. Brussel.

Voces de Mi Locura Julio Cesar Alvarez,2002-10-16 Inspirational Stories that Spark our Emotions and Touch the Heart and Soul, is a novel about a host of highly desirable and valuable Inspirational short stories that touch the heart and soul and give meaning to our everyday life style. The novel brings curiousity, compassion, hope, and a uplift to anyone who reads it. The novel educates and brings curiosity to the readers mind. It brings an array of moral guidance that stops our foot-steps from going to places we don't want to go. The novel brings on it's very own disposition of positve teachings of Jesus that reach out to our very own communities and global setting. Living in a dark world as we do, the novel is focused on Jesus teachings. The stories prove that Jesus is a light unto our path. He fulfills that piece that's missing within our hearts, we just need to seek him out and have a personal relationship with him. We need to Come to Him, Follow Him, and Obey Him. If we conform our lives, to the principles and teachings of Jesus, and let His teachings guide us and live through us in our daily lives, then all of our desires,aspirations, and hopes for doing good to others will be fufilled in our lives.

Diván El Terrible Y Los Fraudes Del Doctor Freud DR. Rafael Salin-Pascual,

La Atrevida Christopher McDougall,2004-11-09 ¿Qué pudo haber sucedido para que una superestrella de la música, terminara detrás de los barrotes de una prisión brasilera, acusada de ayudar a fraguar el secuestro, violación e indoctrinación de docenas de mujeres adolescentes? Poco después del lanzamiento de su primer disco Gloria Trevi y su

afamado productor, Sergio Andrade, comenzaron una escuela de talento para niñas jóvenes que soñaban con volverse famosas. Poco tiempo después, comenzaron a circular extraños rumores que sostenían que la escuela era en realidad la fachada de una operación de esclavas sexuales, encargada de torturar e indoctrinar a las mismas niñas que querían ser como su ídolo, Gloria Trevi. ¿Cómo pudo suceder esto? ¿Estuvo involucrada Gloria Trevi en el asunto, o cayó ella también bajo el yugo de su perverso y brillante manager? En la primera exploración mesurada de esta escandalosa historia, el reconocido periodista Christopher McDougall cuenta la historia de cómo Gloria Trevi pasó de ser una desconocida a ser una superestrella a nivel mundial, a tener que escapar de las autoridades durante dos años, antes de ser hallada y capturada en Rio de Janeiro. A través de entrevistas exclusivas con Trevi y Andrade, McDougall revela los complicados nudos y vueltas de esta increíble historia, ofreciéndole a los lectores una mirada de cerca a la peculiar historia personal de Sergio Andrade y lo que realmente estaba sucediendo tras las puertas de la escuela de estrellas de Gloria Trevi.

Dr. Hamer Charo González Casas, 2020-09-22 En agosto de 1978, un hombre disparó mortalmente contra Dirk Hamer, de 19 años, mientras el joven dormía. Dos meses después de su muerte, a su padre le detectaron un cáncer de testículo. Un diagnóstico más, de no haber sido porque se trataba del doctor Hamer, un médico internista que empezó a preguntarse: 'Mi cáncer, ¿no tendrá relación con la pérdida de mi hijo?' Investigó en sus pacientes oncológicos y descubrió que en toda enfermedad interviene la psique: colabora con el cuerpo para provocarla y puede curarla. Sobre esta base levantó su Nueva Medicina Germánica con sus cinco leyes biológicas. Una visión radicalmente distinta y revolucionaria, capaz de dinamitar los pilares de la ciencia médica. Le quitaron la licencia. Intentaron declararle loco. Lo persiguieron, detuvieron, procesaron. Lo metieron en la cárcel. Pero él nunca renegó de su descubrimiento. Murió convencido de que su Nueva Medicina sería la medicina del futuro. ¿Era un iluminado? ¿Un loco? ¿O un tuerto en el país de los ciegos?

Trastornos neurocognitivos en el adulto mayor Karina Cerezo Huerta, El libro Trastornos neurocognitivos en el adulto mayor: evaluación, diagnóstico e intervención neuropsicológica plantea con la mayor cantidad de evidencia científica posible los aportes que se han realizado en la conceptualización, la evaluación, el diagnóstico y la rehabilitación sobre el adulto mayor desde el área de la neuropsicología. El libro consta de cuatro apartados compuestos por 12 capítulos en donde se abordan diferentes temas como los cambios en la dinámica cerebral, en la cognición y el comportamiento durante el envejecimiento, la neuropsicología de las demencias, cuya clara estructura y abundancia de cuadros comparativos facilita su lectura y la labor del clínico a la hora de hacer el diagnóstico, o bien, se ofrece una revisión muy completa de los instrumentos más utilizados en la evaluación neuropsicológica de las personas mayores para hacer el diagnóstico diferencial de la demencia, sin dejar de insistir que la evaluación neuropsicológica va mucho más allá de la aplicación de pruebas y requiere de la valoración cualitativa. Sin duda este libro será de utilidad para estudiantes y profesionales de la psicología, la medicina, la enfermería, la neuropsicología y otras disciplinas dando herramientas auxiliares para la intervención

neuropsicológica durante esta etapa de la vida.

La Semana médica ,1913

De Que Se Alimentan Los Zombis? Joe Schwarcz,2009-09 With a wealth of expertise and a keen sense of humor, this collection of essays delves into the chemistry behind Casanova's experiments with Spanish Fly, the invention of gunpowder, the mysteries of baldness, and a multitude of other everyday phenomena and well-known stories. This one-of-a-kind guide is proof-positive that chemistry can be useful as well as enjoyable. Con una riqueza de pericia y un buen sentido de humor, esta colección de ensayos explora la química tras los experimentos de Casanova con la cantrida, la invención de la pólvora, los misterios tras la calvicie y una multitud de fenómenos cotidianos e historias populares. Esta guía única es evidencia de que la química puede ser útil y divertida.

Demente criminal Ibéyise Pacheco,2014-06-20 EL extraordinario libro inspiró la serie televisiva Demente criminal Roxana Vargas despierta de un sueño profundo mientras está siendo violada. En medio de la confusión, recuerda que está en una sesión con su psiquiatra y tiene la certeza inmediata de que ha sido sedada. Roxana acabó siendo asesinada por el psiquiatra Edmundo Chirinos, un personaje siniestro con influencia en los centros de poder de su país. Tras la muerte de la joven se develó una sociedad cómplice y fue posible desenmascarar un poder que guardó silencio ante las andanzas de Chirinos. Ésta es la historia de Roxana, una joven de apenas diecinueve años de edad que soñaba con ser periodista. También es la historia de su asesino, Edmundo Chirinos, un poderoso médico que incursionó en la política y llegó a ser candidato a la presidencia de la República. El asesinato de Roxana causó revuelo en los medios de su país, sobre todo por las revelaciones que salieron a la luz. Al psiquiatra intachable, aplaudido por todo un país, se le decomisaron fotografías de unas 1200 mujeres, muchas de ellas tomadas en su consultorio mientras éstas yacían desnudas y aparentemente sedadas. El trabajo incisivo de una valerosa periodista, Ibéyise Pacheco, puso al descubierto la doble personalidad del psiquiatra, una suerte de doctor Jeckill y señor Hyde venezolano. En su investigación #en la cual entrevistó a los implicados y relacionados con el caso, y en especial al doctor Chirinos# reconstruye y da cuenta de la retorcida personalidad de Chirinos, la truculencia del caso, los testimonios dramáticos de las víctimas y los archivos de la fiscalía. Con un estilo preciso y sin dejar cabos sueltos, la periodista no elude las escenas más crudas, deja que lo explícito se muestre y mientras, como telón de fondo, un acercamiento al carácter nacional, quizá dislocado, quebrado psíquicamente.

Identidad sexual ,

Línea Obstálide (Spanish Edition) Francisco R. Coronado,2019-09-30 Francisco R. Coronado es originario de Cananea Sonora y estudió en la Escuela Nacional de Agricultura Chapingo, México. Actualmente radicado en Sin City, USA, duda muchísimo de ser un escritor, su intención tan sólo es divertir, aunque sea un poco, a los que como él están atados con cadenas a un sistema injusto donde unos cuantos, para enriquecerse, se aprovechan del ser humano y de la naturaleza. El 1%

es un hoyo negro que todo lo devora. Considerando que existe un mar de escritores y un mundo de libros, el autor, tratando de ser realista, se dará por bien servido si este libro lo leen algunos familiares, ciertos amigos y dos o tres desconocidos.

Sangre en el diván Ibéyise Pacheco, 2017-02-27 Edmundo Chirinos, reconocido psiquiatra de trayectoria pública, es acusado por el asesinato de Roxana Vargas. Ibéyise Pacheco tuvo la oportunidad de entrevistar en numerosas ocasiones a los implicados y relacionados con el caso, y en especial al doctor Chirinos. Con la acuciosidad de la periodista incisiva que es Ibéyise, el juicio será el escenario de partida de este profundo trabajo de investigación que construye y da cuenta de la personalidad enigmática de Chirinos, la truculencia del caso, los testimonios dramáticos de las víctimas, los archivos de la fiscalía, y en grado mayor los encuentros con el doctor en los que la periodista interroga, deja hablar, persuade, y en ese forcejeo se revela la retorcida y decadente brillantez del doctor. Ibéyise no elude las escenas más crudas, deja que lo explícito se muestre y mientras, como telón de fondo, un acercamiento al carácter nacional, quizás dislocado, quebrado psíquicamente. El estilo de Ibéyise es preciso, apunta al dato, no deja cabos sueltos y resuelve en la sentencia el suspenso de reportaje que deviene relato

Intermediate Medical Spanish Diana Galarreta-Aima, Gabriela Segal, Diana Ruggiero, 2021-10-15 This is an intermediate/advanced level textbook directed toward students who are interested in learning the necessary medical terminology and cultural sensitivity to successfully care for the U.S. Spanish-speaking community in medical contexts. This textbook is divided into 13 chapters that include medical vocabulary, dialogues between medical professionals and patients, case studies, readings on health issues that affect the Latino community, readings to deepen students' cultural competence while working with Latino patients, and interactive and realistic activities to provide students the tools they need to effectively care for this population. This textbook is unique in the market in its cultural perspective focused on the diversity and complexity of the Latino community living in the United States. The book addresses particular health concerns that affect the Hispanic population such as specific illnesses (diabetes type 2, asthma, chronic obstructive pulmonary disease, HIV/AIDS, obesity, and liver disease) as well as barriers to accessing healthcare and, at the same time, the book highlights the complexity and diversity among this population. Most medical Spanish textbooks on the market only offer lists of words and common phrases to provide basic tools of communication to healthcare workers. *Intermediate Medical Spanish: A Healthcare Workers' Guide for Communicating With the Latino Patient*, by contrast, is directed to learners with intermediate and advanced levels of Spanish who wish to broaden their use of the target language in medical contexts. Some of the topics covered in the textbook are: children's health, maternal and reproductive health, diet and nutrition, mental health, and physical therapy. The book includes hundreds of vocabulary exercises and critical thinking activities pertaining to cultural awareness. The book also includes a key for some of the vocabulary exercises, a Spanish-English glossary, and a list of common medical procedures

La hora de las brujas (Las Brujas de Mayfair 1) Anne Rice, 2014-08-16 La trilogía en la que se basa la nueva serie de AMC+, ambientada en el universo de Entrevista con el vampiro. En la serie «Las Brujas de Mayfair» (integrada por La hora de las brujas, La voz del diablo y Taltos), Anne Rice toma de nuevo las voces de otros mundos para retratar la naturaleza humana, logrando conformar todo un universo mitológico hipnótico, oscuro y, al mismo tiempo, seductor. La hora de las brujas es una fascinante e hipnótica novela que abarca cuatro siglos de historia de la prominente y rica familia Mayfair, una dinastía de brujas de Nueva Orleans, perseguida por un ser poderoso, peligroso y seductor a lo largo de los siglos. Las mujeres de la familia Mayfair no se rinden y tratan de comprender y destruir a esa misteriosa fuerza que ha mantenido siempre amenazadas a su familia. « El doctor se despertó asustado. Había vuelto a soñar con la vieja casa de Nueva Orleans. Había visto a la mujer en la mecedora y al hombre de los ojos marrones. » Incluso ahora, en este tranquilo motel de la ciudad de Nueva York, sintió la inquietante desorientación de antaño. Había vuelto a hablar con el hombre de los ojos marrones. Sí, ayúdala. No, solo es un sueño. Tengo que salir de él. » No conseguía librarse de la impresión de la vieja casa. Casi podía oír el zumbido de los insectos contra la malla mosquitera del porche. Y el hombre de ojos marrones hablaba sin mover los labios. Un muñeco de cera lleno de vida... No. Basta. »

Réquiem por Teresa Liano, Dante, 2019-11-25 Un retrato de una Guatemala en la que los estratos sociales, el tinte político y la cultura machista normalizada enmarcan una historia de familia. El narrador va contando su relato en el transcurso de una tarde de copas, en un bar en el que canta un imitador de Elvis: cada entrada de este artista con las canciones clásicas del ídolo del rock, se entremezclan con la terrible historia de Teresa, la hermana del protagonista, casada con un militar y cuya desgracia se va suscitando ante los ojos de todos los que la rodean sin que nadie sea capaz de intervenir.

Reviewing **Dr Psiquiatra En Vivo:** Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
