

Todos Me Miran En Vivo

Claire Taylor

Cuando resistir es vencer Eleuterio Sánchez, 2013-10-27 Si en sus libros *Camina o revienta* (Almuzara, 2004) y *Mañana seré libre* (Almuzara, 2006) Eleuterio Sánchez iba mucho más allá del trepidante relato de sus increíbles andanzas, y retrataba magistralmente la sociedad de finales del franquismo, ahora en esta nueva entrega de sus memorias, *Cuando resistir es vencer*, vuelve a retratar su tiempo con la fuerza psicológica de un hombre totalmente impulsado por su amor a la libertad. Entre los tiempos de la democracia española totalmente asentada y la dura crisis -no sólo económica- de las primeras décadas de este siglo XXI, Eleuterio Sánchez traza unas memorias nada convencionales (“El hombre de acción no lleva diario”), con una mezcla llena de emoción entre recuerdos de su vida más remota y los acontecimientos más actuales. Eleuterio Sánchez ofrece toda una lección de coraje para sobrevivir con dignidad en tiempos nada fáciles.

Gestión emocional en procesos migratorios, políticos y de organización colectiva en Latinoamérica y México (Colección Emociones e interdisciplina) María del Rocío Enríquez Rojas, Oliva López Sánchez, Baquero Torres, Patricia, Ceja Fernández, Alejandra, Cortés Márquez, Nubia, Flores Hernández, Aurelia, Foust Rodríguez, David, Hernández Lara, Itzel, Jablonska Bayro, Joanna, Jardón Hernández, Ana Elizabeth, Marulanda Bohórquez, Sandra Milena, Martínez Ruiz, Diana Tamara, Rodríguez Ceja, Gabriela Eugenia, Rodas Gómez, Jonatan Mariano, Torres Ayala, Nallely, 2021-02-10 Los temas organizadores de este volumen: migraciones, procesos políticos y de organización colectiva, representan fenómenos sociales ampliamente examinados por las ciencias sociales y las humanidades (sociología, estudios latinoamericanos, demografía, historia, antropología, ciencias políticas) desde los años setenta (Tilly, 1990; Melucci, 1994; Bustamante, 1997, entre otros). Tradicionalmente, los análisis sobre migración pusieron el foco analítico en la transformación poblacional, las economías y las prácticas culturales vinculadas con los arreglos familiares y domésticos (familias transnacionales), la vida de los que migraban y los que se quedaban en el lugar de origen, así como las características de la migración, de acuerdo con el sexo, la edad, la región de salida y el sitio de llegada (Ariza, 2000, 2002, 2006; Ariza y Portes, 2007; Valenzuela, 2008; Ramírez, 2016). En el cambio de siglo, las condiciones de salud, el tipo de ocupación y las diferencias salariales entre mujeres y hombres habían sido los temas más abarcadores de estudios ya clásicos para México y Latinoamérica. Revista Literaria digital Escritores independientes, 2019-04-20 Revista literaria digital, creada por escritores

independientes, aprende y lee literatura muy buena por parte de nuestros autores

El barrio de los sueños rotos Francisco Alarcón, 2016-02-24 En un barrio de gente pobre llamado San Judas, en las afueras de la gran ciudad ha venido a instalarse una mafia extranjera para montar una red de drogas y prostitución. El párroco del barrio, harto de ser mudo testigo decide pedir ayuda a unos antiguos compañeros de clase. La mayoría hace años que no se ven y han cogido caminos muy distintos en la vida. Así el cura, un policía, un camello, una concejal y una puta se pondrán de acuerdo para acabar con la mafia. Mientras se enfrentan a la mafia saldrán a la luz viejas rencillas, antiguos amores, y en general, sueños rotos que volverán al presente. Gracias a ese reencuentro, historias inacabadas encontraran su fin.

El cielo y el infierno Allan Kardec, 2010

Moxie Jennifer Mathieu, 2015-12-14 Vivian Carter tiene 16 años y está aburrida. Pero también está harta. Harta de que en su escuela secundaria de una pequeña ciudad de Texas el equipo de fútbol americano tenga todo permitido. Harta de los códigos de vestimenta sexistas y del acoso en el pasillo. Y, sobre todo, harta de seguir siempre las reglas. Pero algo empieza a cambiar. El pasado audaz, atrevido y feminista de su mamá siempre le ha fascinado y, ahora, se convierte en la inspiración que necesita para idear su propia manera de desafiar lo establecido. ¿Seguir aceptando las agresiones de un grupo de alumnos y las arbitrariedades de los profesores o presentar resistencia?, ¿continuar siendo Vivian la obediente o dar batalla? Algo que comienza con pequeños desafíos se convertirá en Moxie, un movimiento que unirá a las chicas en la lucha. Ya nada las detendrá. Ya no aceptarán las reglas establecidas.

Teoría y práctica de La Habana Rubén Gallo, 2018-07-26 La Habana es un delirio en el torbellino de la Transición: es la única ciudad del mundo con bares gays administrados por el Estado y atendidos por funcionarios públicos, un lugar donde hasta hace poco había librerías clandestinas, una capital latinoamericana que se alimenta con leche en polvo y que reta a los lactófilos a pasar mil y una peripecias en su búsqueda de leche fresca, un espacio donde la santería, con sus rituales africanos y sus ingredientes locales, marca la vida cotidiana, una metrópolis donde la gente viaja en botella, convirtiendo así cada automóvil en un transporte colectivo y en una plataforma para encuentros inesperados y aventuras singulares. Teoría y práctica de La Habana, de Rubén Gallo es, pues, el libro más vital que se ha escrito sobre Cuba en los últimos años.

Iluminación oculta Pedro Jesús Carbonell Peñalver, 2020-08-21 Tu atención ha sido llamada por este libro. No creas que es pura casualidad que lo tengas en tus manos. Acabas de descubrir un mundo muy apasionante. Si decides leerlo, puede que te conviertas en una persona renovada, puede que surja algo nuevo en tu interior; pero lo más importante es que un destello dentro de ti ha producido que tu mente despierte. Hay un mundo aún por descubrir fuera de tus conocimientos o de cualquier ideología, religión o creencia; hay un mundo ahí esperando a ser desvelado por ti, un mundo en el que tú pones las reglas y en el que eres el máximo creador de dicha realidad. A través de estas páginas trataremos y desarrollaremos

diferentes conceptos que resultan ser, para mí, la regla básica del entendimiento de este nuevo paradigma, de esta nueva visión más profunda y clara de cómo entender la vida desde un punto de vista diferente al de siempre, dándole un significado más beneficioso, placentero y humilde a nuestro paso por este planeta. Con este libro no pretendo inculcar ninguna ideología o introducir ideales en las mentes de los lectores, lo único que pretendo es que surja en ti, que aflore un sentimiento, el cual todos poseemos, con el que seas dueño de tu vida. Siendo dueño de esta lo serás de tu propia libertad, desaparecerá el sufrimiento y comenzará en ti un camino apasionante hacia el autodescubrimiento. Este camino será unidireccional, siempre de ida. Ese chispazo a modo de iluminación dará un sentido más completo a todo tu mundo. Se trata del mayor de los regalos, oculto en tu interior durante la existencia de todos los tiempos. Se trata de descubrir que tú eres todo.

Universo de esperanza, lucha por la vida 56 escritores independientes, 2018-02-06 Autores que han dejado aquí plasmadas sus letras con el único fin de provocar una sonrisa, dejar un donativo a través de aquello que nos apasiona hacer, escribir. La causa de nuestro libro son las enfermedades raras, aunque como habrán comprobado no todos los textos hablen sobre ellas. La Fundación ALIBER nos tendió la mano, confió en nosotros para llevar a cabo este proyecto. Nos movía una causa en la que los niños estuvieran presentes, y vimos que aquí son ambos, adultos y niños, pues su andadura la mayoría de las veces comienza en ese momento, incluso a veces al nacer. Una Fundación con más de 500 asociaciones que velan por conseguir mejoras para todos.

A Travez del Alma Andrea Espinoza, 2011-04-07 Alguna vez te has preguntado acerca del recorrido que llevará tu alma hasta el punto actual de tu existencia? Y cómo estas vivencias podrían estar afectandote en la misma? Esta historia podría llevarte a cuestionartelo. Atravez del alma es una recopilación de temas tales como, reencarnación, vidas pasadas, almas gemelas y regresiones. Y hacia donde va nuestra alma en este proceso de evolución Esta es la historia de Ariana, una muchacha bella, joven y talentosa, quien apesar de tener tales atributos, llevaba una vida monótona y rutinaria aún teniendolo todo. Siempre con una sensación de ausencia de algo que ella mismo desconocia, hasta que en un grito desesperado de su subconciente, experimenta una autoregresión involuntaria, que atravez de un sueño, su alma comienza una travesía a sus vidas pasadas, reencontrandose una y otra vez, con su alma gemela. Encontrándola en diferentes épocas y personajes, que envuelven esta historia en un halo de misterio, romance y aventuras, reconociéndolo siempre por su mirada y descubriendo el motivo de su vacío e inconformidad por medio de sus vivencias en esta extraordinaria experiencia, que la llevará a conocer el verdadero sentido de la felicidad alcanzando niveles más altos espiritualmente a travez del alma.

Identity, Nation, Discourse Claire Taylor, 2009-01-14 This volume explores women's literary and cultural production in Latin America, and suggests how such works engage with discourses of identity, nationhood, and gender. Including contributions by several prominent Latin American scholars themselves, it seeks to provide a vital insight into the analysis and reception of the works in a local context, and foster debate between Latin American and metropolitan academics. The

book is divided into two sections: Women and Nationhood, and Models and Genres. The first section comprises six chapters which examines women's responses to, and attempts to carve out space within, national discourses in a Latin American context. Spanning the nineteenth century to the present day, the chapters offer an insight into the ways in which Latin American women have constructed themselves as modern subjects of the nation, and made use of the ambiguous spaces created by modernization and national discourses. The section starts firstly with a focus on the Southern Cone, covering Chile and Argentina, and then moves geographically northward, to Colombia and Bolivia. The second section, Models and Genres, consists of six chapters that examine how women writers engage with, and critically re-work, existing literary discourses and paradigms. Considering phenomena such as detective fiction, fairy-tales, and classical mythological figures, the chapters illustrate how these genres and models-frequently coded as masculine-are given new inflections, both as a result of their deployment by women, and as a result of their re-working in a Latin American context.

Diarios (nueva edición de Ana Becciu) Alejandra Pizarnik, 2013-11-14 Versión corregida, ampliada y definitiva de los diarios de Alejandra Pizarnik. «Una constante de los diarios de escritores es que otros se encarguen de publicarlos póstumamente. Estas publicaciones podrían dar la impresión de ser una violación de la intimidad del diarista, pero no cabe duda de que, al conservarlos, el escritor está indicándonos que es consciente del valor intrínseco que tienen. Eso es aún más evidente en el caso de Alejandra Pizarnik, ya que conservó sus cuadernos hasta el último momento», comenta Ana Becciu en la nota que acompaña esta nueva edición, corregida y ampliada, con muchos fragmentos reveladores que hasta ahora nunca habían visto la luz, de los diarios de una mujer que convirtió su angustia en un destilado de palabras duras y hermosas. Su obsesión por escribir, sus dudas, y sus ganas de comer, fumar y amar con voracidad hasta que el cansancio la derrumbaba... todo quedó apuntado en cuadernos y papeles sueltos que por fin han encontrado su lugar. Aun hoy, cuando ya se han cumplido cuarenta años desde su muerte, la voz de Pizarnik acompaña al lector en un viaje donde la literatura importa y la vida duele. «A veces me gustaría registrarme por escrito en cuerpo y alma: dar cuenta de mi respiración, de mi tos, de mi cansancio, pero de una manera alarmantemente exacta, que se me oiga respirar, toser, llorar, si pudiera llorar.» Alejandra Pizarnik, París, 3 de agosto de 1961 La crítica ha dicho: «Con su exhibicionismo -hablaba de sus complejos, sus costumbres, sus amores- desafiaba el recato burgués heredado del XIX. De alguna forma, los diarios fueron un arma poderosa para la emancipación de las mujeres. Una vez a Pizarnik le preguntaron para qué escribía. Para que me quieran, contestó. Son muchas páginas de palabras duras y hermosas, especialmente disfrutables para los muy intensos. Llevó la angustia a sus más altas cotas literarias.» Xacobe Pato (librero en Cronopios), Vogue «Un hecho excepcional en la literatura argentina, que puede adjudicarse al aura de prestigio casi legendario que ha envuelto la vida y la obra de Alejandra Pizarnik.» César Aira «Al encanto de Pizarnik de ser una figura envuelta en el misterio y una personalidad inexplicable, hay que añadir el hecho de que palabra por palabra ella escribía la noche, y el lector que se acerque a ella descubrirá que esa escritura nocturna, que

tenía un alto sentido del riesgo, nacía de la más pura necesidad, como a pocos escritores del siglo XX se les ha visto: una lírica extrema y también una tragedia.» Enrique Vila-Matas, Babelia «Sumergirse en la intimidad de la gran poeta argentina es adentrarse en las arenas movedizas de una pulsión suicida. [...] Así es su escritura: el constante descubrimiento de una rosa con espinas. [...] Se la lee de poco en poco, como quien paladea un vino añejo.» Rocío Niebla, Tinta Libre «Pizarnik nos descubre un éxtasis en la inestabilidad del lenguaje y logra arrancarle una verdad mercurial y patética.» Los Angeles Review of Books «Un hecho editorial único; no sólo dentro de la tradición argentina, sino en castellano. Su carácter único reside en que no existe otro caso conocido en que se vaya a disponer, casi con certeza, aunque no todavía, de una publicación completa, sin filtro de autor, pariente o censor, de un material tan abundante, tan ligado desde el principio hasta el final a un destino de escritora.» Nora Catelli, El País «Basta nombrarla para que en el aire vibren la poesía y la leyenda. Una lírica extrema y también una tragedia.» Luis Chitarroni

Garcia en amazon.

Hasta el último de mis días Yamilet Cázares, 2024-02-01 Un romance adolescente made in Wattpad sobre la depresión, el abuso y el poder del amor; lleno de pasión, superación y giros desgarradores. Enamórate de Charlie y Jace. Puedes querer y hacer que te quieran, pero si la persona a la que amas está rota por dentro, solo puedes dejarla ir. Duela lo que duela. Charlie Hans es una chica adolescente con un gran talento para el arte, que en los últimos años se ha convertido en su único consuelo. Acosada por problemas familiares y de autoestima, se ha encerrado en sí misma y ha dejado de lado a sus amigos, hasta convertirse en la sombra de aquella joven amable y risueña que había sido. Jace Grey lleva toda la vida enamorado de Charlie. Incluso cuando ella dejó de hablarle sin motivo aparente, él no tiró la toalla, y ahora está más dispuesto que nunca a iluminar el mundo de Charlie, demostrarle que ella se lo merece todo y hacerla feliz. Pero... ¿llegará a tiempo para abrirla los

ojos? ¿O ganará la oscuridad que está devorando el corazón de Charlie? La historia de amor más triste y más bella que ha nacido en Wattpad
