Mabel Katz

Zero Frequency Mabel Katz, 2020-05 We are living in a time when many people are feeling the weight of the world on their shoulders, in the form of global and personal stress--financial challenges, illness, loneliness, depression, and lack of purpose. Zero Frequency, by Mabel Katz, is an illuminating book that offers all struggling citizens of this planet a path out of turmoil and towards a life of happiness, peace, and abundance. As a lifelong practitioner and leading authority on Ho'oponopono, the ancient Hawaiian art of problem-solving, Mabel Katz's new book presents wisdom in a more practical and modern way--one that simultaneously speaks to the mind and heart, while also cutting through many of the mind traps and illusions that prevent us from experiencing truth. In this book, you will come to understand that Zero Frequency is a direct pipeline back to who we are--to our true essence. Zero Frequency is also a suspension of mind and thought that would allow us to return to the fullness of the Present Moment. Mabel calls this a return to our natural state of Zero--the limitless state that comes when we live in the Now--present, conscious, free of judgment--allowing our hearts to open to the wisdom that already lives within each of us. This book will lay down a concrete path to help its readers wake up and realize their potential. It is a book that is written with the unwavering belief that the more we help (and heal) ourselves, the more we help (and heal) the planet. Living from who we are is at the core of Zero Frequency, a combination of gratitude, letting go, and practicing peace. Zero Frequency is like returning to our childhood, and the joy and innocence we have lost as time and age have buried who we are. Rediscovering this part of ourselves--our true self--is the pathway back to opening our hearts to abundance, peace, and joy. It is where all the answers to life's problems will be found. It is the heart and soul of Zero Frequency.--Publisher.

How to Suffer ... In 10 Easy Steps William Arntz, 2019-10-08 What!? A "Self-Help" book on How to Suffer!? You must be kidding. Well YES and NO. YES in that it's a satirical roast of self-help books that promise everything and tell you it'll be easy (and it never is). NO in that it turns out that looking at and dealing with suffering is the Gorilla in the room that everyone avoids, to our own undoing. And YES there is some kidding around, as a humorous approach is the best way to sneak up on the mothership of bad times: Suffering. And NO you won't have to suffer to read it! Following the 10 Easy Steps

(just do the opposite and don't suffer) there is the Suffering Hall of Fame, and then the 6 Slippery Steps to End, or at least change, your suffering state. Chapters include: Buddha Kicks the Habit (of Suffering), The Power of Not-Now, Beyond the Roast - Let's Get Real and The Pseudo Science of Suffering -in which you learn how to construct and use your very own Sufferometer. It's a lot for one little book, but then again it is a subject which consumes, directs and shapes so much of what we all do, and/or try not to do, in every day life.
